World Meeting of Families/ Visit of Pope Francis

Many members of our parish community were involved in the World Meeting of Families and the Visit of Pope Francis to Ireland, as volunteers, representatives of different groups and associations, or participants in the different events. At the end of the Mass in Phoenix Park, Pope Francis addressed a word of thanks to everyone who had taken part in those extraordinary days. Here is his message: "At the conclusion of this Eucharistic celebration and this marvellous World Meeting of Families, which has been a gift of God to us and to the whole Church, I would like to say a heartfelt "thank you" to all those who contributed in any way to its realization. I thank Archbishop Martin and the Archdiocese of Dublin for their work of preparation and organization, and in a particular way, I express my gratitude for the support and assistance provided by the government, the civil authorities and the many volunteers from Ireland and other countries, who gave so generously of their time and effort. I want to say a special word of thanks to all those who prayed for this Meeting: the elderly, children, men and women religious, the infirm and those in prison... I am sure that the success of this Meeting is due to their quiet and persevering prayers. Thank you everyone! May the Lord repay you!"
